Shikora - The Tea Hub is a contemporary tea and food Quick Service Restaurant (QSR) rooted in the vibrant city of Kolkata, founded in 2022. Our inspiration stems from the traditional "tapri" concept — small roadside stalls serving a variety of tea and snacks, which are immensely popular on the streets of Kolkata.

Our vision is to enhance and modernize this traditional idea by providing a unique and contemporary dining experience to our customers.

Our menu is curated to offer over 20 varieties of teas and other beverages, along with food items that showcase the local street food culture and flavors of Kolkata. Our chefs add a global twist to the offerings, ensuring a taste that resonates not only across India but also worldwide.

Whether you crave a quick cup of tea or a more substantial and an affordable meal, Shikora is the perfect place to satisfy your cravings.
